¹Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. For compatible roads and full details visit cadillac.com/supercruise. ²Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. ³Map coverage available in the United States, Puerto Rico and Canada. ⁴Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle owner's manual for important feature limitations and information. ⁵Diagnostic capabilities vary by model and plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Click here or visit: www.onstar.com/us/en/new_vehicles/ for details and limitations. ⁶Does not detect people or items. Always check rear seat before exiting. ⁷Cargo and load capacity limited by weight and distribution.
